I CHALLENGE U P.1

Demand for In Home Care P.2

Austrade Updates P.3

Message from our CEO, Robert Farrow.

Greetings to all of you and a wish that you and your families stay safe during this extremely bad time for our world.

I CHALLENGE YOU!!!
Yes, that's right..... U

In 2013 I started our business "In Home Care Solutions" (IHCS) in Australia and the Philippines, to be the provider of quality staff to Aged Care homes and to the thousands who then wanted care in their own home.

Today the need is even greater and unfortunately for many, **NOBODY** listened **THEN** to the thousands who said they want "In Home Care". So today, due to lack of action by many people in Australia, we are seeing shocking deaths of **OUR ELDERLY** in Aged Care centers due mainly to lack of staff and the use of casuals coming from central employment agencies and **carrying the COVID Virus with them.**

The Royal Commission into Aged Care has come out, yet again, saying we need more staff. Nurses and Aged Care workers are crying out for assistance but all we do is sit on our hands and DO NOTHING.....

- SO, Filipino Health workers and others, are you going to sit on your hands and do nothing?
- OR, will you commit to becoming an Australian Health Care worker and do our online course to be JOB READY in 2021 when the Australian Government finally does what it should have done in 2013...

HIRE YOU!!!

Of course, conditions apply but please email us if you want to know more.

E; 2care4u@ihcs.org.au

So HERE is our present to you today 🍷

God Bless and stay safe.

AUSTRALIA NEWS

Austrade continues to update me with the latest news the relevant points I believe are as below.

- Given that visa turnaround times are longer, are we still able to lodge visas as early as now for early submission?
- Yes, you can apply anytime online via Immi Account and we always encourage early applications. However, while travel restrictions remain the **Department will continue to prioritize applications for those currently “onshore”**.

NOTE we (IHCS), have decided to send all students to Australia on a SC600 Visitor visa and then apply “On Shore” for the SC500

- With regards to the GTE Policy changes in favor of Filipino Health workers?

The student visa program is demand driven, and any changes to policy settings of the current program will be in line with whole of government approaches to assist the international education industry. Australia’s visa and migration programs are regularly reviewed by Government.

What are you waiting for?

Australia needs you so enroll now!!
