Message from our CEO, Robert Farrow.

Greetings to all of you with a wish that you and your families stay safe during this extremely bad time for our world.

I am pleased to announce that ETA and Educare College have agreed on new payment plans for International students. While our promotions are normally aimed at the Philippines, we are now getting inquiries from other countries, so we are going International!

Basically, the Deposits have dropped from AUD350 to AUD100 with the first course deposit now AUD500.

Next good news is, **ALL Courses** can now be paid over 6 installments not 3 as before AND the practical Placement and Certificate of AUD1,200 is only due WHEN you arrive in Australia NOT as before, when you received your Visa.

More details can be found on our web site address below.

Further to this we are now looking at offering Practical Placement in Other states so you can spend time with your families if they are not in Queensland.

More on this later and it will be a case by case option. If you do Practical Placement outside of Brisbane then there will be further discounts offered, again on a case by case situation.

Good luck to you all, keep the questions coming.

Robert

Of course, conditions apply but please email us if you want to know more.

Update on Work Opportunities in Australia.

I just need to remind you all about the opportunity to gain employment in Australia.

Under the SC500 Student Work Visa you can work not only in your chosen profession but anywhere you can find a job.

Hours have been extended for some professions allowing you to work as many hours as you can without causing issues with your courses.

Most if not all students, who prove to be good workers will be **given extra shifts** after that have completed their practical placement so it is essential you work hard and get a good reputation in the Aged Care facility you are working in.

Recently with the COVID19 crises, so many Senior Australians have died in Aged care facilities, while this is sad it has also created an **even BIGGER need for Home Care** so the possibility of you gain work in people's homes via our "Companion Care" program is now even greater than before.

Our sister company, in Australia "**In Home Care Solutions**" (www.ihcs.org.au) will welcome you to work for them as soon as you are able to legally work in Aged care.

You would of course start on your SC500 visa but later they will transfer you to a work visa. (Conditions apply)

WHAT HAVE YOU GOT TO LOSE!!**

AUSTRALIA and OTHER NEWS.

Australia is seeing a second wave of COVID19 outbreaks especially in Victoria and Melbourne. The Prime minister Scott Morrison has said even with the current outbreaks he is confident all state borders will be open by Christmas and International borders will be open early in 2021.

Given the fact Australia has signed deals for vaccination solutions already that would suggest he is **VERY CONFIDENT** to meet his goals.

Even with current crises, based on the latest immigration figures, the Philippines application rate for Australian Study Visa has increased!

So, we are encouraging all of you to get started on the ONLINE courses we are offering to be JOB READY in 2021

What are you waiting for?

Australia needs you so enroll now!!
