Message from our CEO, Robert Farrow.

Greetings to all of you with a wish that you and your families stay safe and to those affected by Typhoon Rolly, as we were, we hope all of you are now safe and well.

In this edition we have some good news for our students especially those of you already in Australia.

We are also announcing our "Referral Commission Program" (RCP) and updates from AUSTRADE Manila.

We are pleased to welcome 2 new students to our training programs who have seen the light and the advantages of, not only doing their Online Training now in preparation for next year's Australian border opening but also, of the discounted prices and interest free payment plans now being offered by Educare.

We would also like to remind you that Educare not only offers Aged Care and Child Care courses but also Business and Leadership courses.

There seems to be some confusion with regards to possible failing our courses.

Each course we offer is a non-pass non-fail assessment that is to say if for some reason your trainer thinks you have not understood a module they will just ask you to do some or all of it again so you cannot fail OK?

So, for now stay safe and happy reading.

Good luck to you all, keep the questions coming.

Robert

Of course, conditions apply but please email me if you want to know more.

DO U WANT TO BE OUR NEXT DONNA??? DO YOU HAVE A BSN DEGREE OR NCII CERTIFICATE?

IF YES APPLY NOW!

Ask us how you can avail yourself of an Australian Qualification leading to PR in Australia (Conditions apply)

Working in partnership with

Referral Commission Program (RCP)

The program is as follows.

1. For each referral who sends us a genuine resume and is
 - a. Under 39
 - b. NCII or BSN
 - c. Works in Aged Care
 - d. Pays IHCS their Mobilization fee of 10,000php or more

We will pay you 25% of that fee to a bank account of your choice, in the Philippines or Australia.

We will also take 1% off our Mobilization fee when you join our program up to 50% discount of any amount over 10,000php, this is addition to the referral payment.

Example. Your referral pays us 12,000 php Mobilization fee you get, 3,000php PLUS a 1% discount from your mobilization fee should you join our program.

Given the above you could get 4 referrals paying 10,000php and your Mobilization fee would effectively be ZERO!

OR you may just want to act as an agent for us.

To Qualify you need to do the following.

1. Reply to us via email robert@ihcs.org.au "Subject RCP" stating you want to become part of the program
2. Agree to our program
3. Follow the process.

When we get this request from you, we will send you the process and relevant attachments for you to end onto your prospects.

Good luck, stay safe.

Visa announcements

1. **Fee waiver** for those who could not complete their course for reasons concerning the COVID19 pandemic and who need to reapply for a SC500 student Visa. (Conditions apply)
2. **The Australian Government has recommenced processing SC500** student Visa's for expectation of borders opening in 2nd half of 2021
3. **The Manila office will close** for SC500 applications which will now be done in their offices in South East Asia and Australia.
4. **GTE.** This has been clarified with conditions and we are told "*Students can say that, after they have gained Australian qualifications, it is their intent to seek and utilize lawful means to stay in Australia for an extended time*" We still need to be careful how we phrase this as the SC500 is not a visa to be used to gain PR in Australia.
5. **Appeals.** For those students applying for an SC500 student visa in Australia you are seemingly protected and can appeal a refusal via the AAT. Students who apply "Offshore" are not protected and cannot appeal a refusal.

Based on this Edu Travel will no longer process SC500 "Off Shore"
