Message from our CEO, Robert Farrow.

Greetings to all of you with a wish that you and your families have a safe and Happy Christmas and New Year.

Re Australia.

It seems now that Australia is almost COVID19 Free there is strong talk of the international borders being open as early as May next year so those of you who are currently doing the courses will be able to do Practicum, most likely June onwards BUT we still need to wait and see.

This means those of you who are thinking about it should apply before Christmas for 2 reasons. 1) the price will be lower now 2) you will be ready to fly in June!

Referral Program.

We would like to extend big welcome to Reginia Contemplacion to our IHCS team.

RC, as she is known by, was the Student Support Officer in our old Filipino company, NSI and now joins me at IHCS heading up the new referral program department in the Philippines.

Her new email address is referral.eta@gmail.com

So, for now stay safe and happy reading and good luck to you all, keep the questions coming.

Robert

AUSTRALIA and OTHER NEWS.

Visa announcements

1. **GTE.** This has been clarified with conditions and we are told "Students can say that, after they have gained Australian qualifications, it is their intent to seek and utilize lawful means to stay in Australia for an extended time" We still need to be careful how we phrase this as the SC500 is not a visa to be used to gain PR in Australia.
2. **Further to the above.** The Hon Alan Tudge MP, Acting Minister for Immigration, said in a recent interview concerning International students coming to Australia, "***We welcome them here. They make a contribution. Many stay on and become very fine citizens and we want that those pathways to continue.***" See full interview at [Interview with Leon Byner, 5AA \(homeaffairs.gov.au\)](https://www.homeaffairs.gov.au/interview-with-leon-byner-5aa)
3. **Appeals.** For those students applying for an SC500 student visa in Australia you are seemingly protected and can appeal a refusal via the AAT. Students who apply "Offshore" are not protected and cannot appeal a refusal.

Based on this Edu Travel will no longer process SC500 "Off Shore"
